# Application Form

---

## *Instructions*

---

The Seward Community Foundation (SCF), an Affiliate of The Alaska Community Foundation (ACF), seeks applications from qualified, tax exempt 501(c)(3) organizations (or equivalents, such as Tribal entities, schools, and faith-based organizations) that support charitable organizations and programs in the **Seward/Moose Pass** area. Mini-grants of up to \$1,000 are intended to be a flexible funding opportunity that may support a broad range of community needs throughout the year, including but not limited to health and wellness, education, the great outdoors, arts and culture, and community development.

Grant projects must be completed within one year of award and are subject to the grantee completing an online grant agreement signifying acceptance of the terms and conditions of the grant. A final grant report and any other outstanding follow ups must also be submitted online before the grantee will be eligible for future grant opportunities from SCF. Due dates and the forms to submit for these follow ups can be found by logging into the online grant system.

**Grant applications must be submitted online.** The Seward Community Foundation's Advisory Board reviews mini-grant applications at their monthly meeting and the **deadline to submit an application for consideration is the first Wednesday of each month.** Any overdue grant reports or other follow ups for previous grant awards from ACF and its Affiliates must also be submitted using the online grant system prior to the deadline for the current application to be considered.

**Please review SCF's Mini-Grant Guidelines to determine your eligibility before applying.**

Please direct **general questions** to SCF's Program Manager, Allison Fong, at [afong@alaskacf.org](mailto:afong@alaskacf.org). Please direct **eligibility and technical questions** about the online grant system to ACF's Affiliate Program staff at [grants@alaskacf.org](mailto:grants@alaskacf.org) or 907-334-6700.

## *Organization Information*

---

### **Name of Organization\***

SOS Pets

### **Organization's EIN\***

920174492

### **Organization Type\***

Only qualified, tax-exempt 501(c)(3) organizations (or equivalents, such as Tribal entities, schools, and faith-based organizations) that support charitable organizations and programs in the **Seward/Moose Pass** area are eligible to apply. Please review SCF's Mini-Grant Guidelines to determine your eligibility **before applying.** If you are unsure of your organization's eligibility, please contact ACF's Affiliate Program staff at [grants@alaskacf.org](mailto:grants@alaskacf.org) or call 907-334-

6700.

501(c)(3)

### Organization's Location\*

Is your organization located in the Seward/Moose Pass area? If not, will your project/program benefit this area?

Yes

### Benefits to Area (optional)

If your organization is not located in the area but you believe your proposed project/program will benefit area residents, please explain how.

*[Unanswered]*

### Mission Statement\*

What is your organization's mission statement?

Striving to promote responsible, respectful pet care and support for the Seward Animal Shelter, through community commitment, education and advocacy.

### Description of Organization (optional)

Please provide any additional information about your organization that you wish to share.

In addition to providing \$50 spay/neuter surgery vouchers to community members, donating food to the He Will Provide food bank and providing educational events, SOS Pets is assisting the City and private architects in developing specifics for a new animal shelter in Seward. The City has consistently held the new shelter as a high priority, has committed land, committed ~\$160,000, some utility labor and administrative staff. We want to be a partner at every step.

### Previous Grant Award Details (if applicable/known)

Please list the project title and date of your most recent grant award, if applicable/known.

SOS Pets Spay and Neuter Programs for Local Pets. This is an open two year grant and the final report is due in 2020.

**Any outstanding follow ups for previous grant awards from ACF and its Affiliates must be submitted using the online grant system prior to the deadline for the current application to be considered.**

Please contact ACF's Affiliate Program staff at [grants@alaskacf.org](mailto:grants@alaskacf.org) or 907-334-6700 before continuing your application if you have not or are unsure if you have completed a grant report for a previous grant award.

## Project/Program Information

---

### Project/Program Name\*

Road Trip for Cats and Dogs

### Project/Program Start Date\*

When will your proposed project/program begin?

03/01/2019

### Project/Program End Date\*

When will your proposed project/program end? **Please note that awarded grant projects must be completed within one year of receiving a grant.**

04/30/2019

### Project/Program Description\*

Please describe your proposed project/program, including a discussion of the community need and if you are planning to collaborate/partner with other community organizations or entities.

It turns out that the board of SOS Pets does NOT know everything about best management practices for animal sheltering! But we would like to, especially with a new Seward animal shelter “this close” to being approved. SOS Pets plays a foundational role in guiding the city, engineers and architects in the needed and wanted attributes of our new shelter.

Jane Belovarac, (ASLC vet tech, long time pet advocate and SOS Pets board member), Christiana Smith (board member), Shelli McDowell (Seward City animal control officer), and Dr. Elizabeth deCastro (local veterinarian) would like to reach out to other Kenai Peninsula Alaskan shelters for some real world advice. We want to know what works and what doesn't; we want to know this BEFORE we build here.

Toward that end, SOS Pets asks the Seward Community Foundation for support for a fact-finding trip to municipal animal shelters in Kenai, Soldotna and Homer. We picture a day in Kenai and Soldotna, a night in Homer and the next day in Homer. We intend for the trip to occur in March or April. The total support request of SCF for lodging, meals and fuel is \$873.

### Project/Program Goals\*

Please describe the goals of your proposed project/program, including what outcomes you hope to achieve.

This is an educational project. We hope to learn the details of establishing and running shelters in similar communities to Seward. We seek information about:

- \*shelter design
- \*operation
- \*agency collaboration
- \*and of course, how they were funded.

We will focus on higher administrative questions rather than the minutiae of daily operations.

### **Project/Program Benefits\***

Please describe the benefits of your proposed project/program. What will improve on in the Seward/Moose Pass area as a result of this project/program? Who and how many individuals will benefit from this program/project?

Incorporating efficiencies and proven solutions into our new Seward animal shelter will save money and avoid work-arounds in the future. A welcoming shelter will attract happy staff and ensure happy animals. In a state-of-the-art facility, potential adopters will feel welcome and relaxed as they ponder the decision to bring in a new family member. Animals well matched to their owners will reduce negative interactions that annoy neighbors, limit the spread of disease and reduce neglect.

### **Measuring Success\***

Please describe the outcomes that will define if your project/program is successful, including how your organization plans to track and report on these outcomes. Please also describe how your proposed project/program will continue beyond the original grant term, if applicable.

The outcome of this fact-finding road trip will be a detailed report of the conditions observed, information and advice received from other shelters, and a distillation of suggestions relevant to Seward's new animal shelter.

## **Project/Program Budget**

---

### **Total Project/Program Budget\***

\$2,833.00

### **Amount Requested\***

Please note that individual grant amounts will be awarded up to \$1,000.

\$873.00

### **Project/Program Budget Form\***

Please download, complete, and upload the Project/Program Budget Form below. At the bottom of the form, please also list other sources of funding you are seeking and the status of those requests.

#### **Project/Program Budget Form**

In the box below, please describe the line items from the budget worksheet in detail.

Budget for SOS Pets road trip.xlsx

We used federal reimbursement rates for our budget.

Per diem lodging: Four people x 1 night x \$180 = \$720

Meals: Four people x 1.5 days x \$55 per day = \$330

Fuel: 334 miles x \$0.54/mile = \$183

Hourly inkind reimbursement: Four people x two 8-hour days x \$25 per hour = \$1600

## ***Optional Documentation***

---

### **Other Useful Information (optional)**

Please provide any other useful information that could help the SCF Grants Committee evaluate your grant application. If desired, you can also upload letters of support and other documentation below.

SOS Pets asks the SCF board for flexibility in our scheduling. It's February 5, 2019 and while we have participants, we haven't nailed down the dates.

As for expenses, we are a frugal bunch and we'll reduce costs whenever possible.

### Organization's Location\*

Is your organization located in the Seward/Moose Pass area? If not, will your project/program benefit this area?

Yes

### Benefits to Area (optional)

If your organization is not located in the area but you believe your proposed project/program will benefit area residents, please explain how.

### Mission Statement\*

What is your organization's mission statement?

Resurrection Bay Historical Society (RBHS) Mission:

- To collect, preserve and make accessible to the public materials that help establish and illustrate the history of the Seward area.
- To stimulate interest and disseminate information about the history of the Seward area.
- To encourage the preservation of historical buildings, structures and sites in the Seward area.

Seward Community Library & Museum (SCLM) Mission:

The Seward Community Library & Museum is a unique combined public library, museum, archives and community center serving Seward and the surrounding area providing opportunities for equal access to information, technology, lifelong learning, community enrichment, and the preservation of Seward's heritage.

### Description of Organization (optional)

Please provide any additional information about your organization that you wish to share.

RBHS is applying for a mini-grant as fiscal sponsor for the Seward Community Library Museum Exhibit Upgrade Spring 2019. This upgrade project will be managed by Seward Community Library & Museum Curator Leslie Fried who works closely in collaboration with the members of RBHS to bring the three new exhibits that comprise the upgrade into being.

An MOU between RBHS and the City of Seward (Agreement January 1, 2012) defines the relationship between RBHS and SCLM and how they work collaboratively together to accomplish their missions.

The historical collections owned by RBHS are housed at SCLM. Members of RBHS are also actively involved with Ms. Fried in the researching, planning and building of the exhibits.

### Previous Grant Award Details (if applicable/known)

Please list the project title and date of your most recent grant award, if applicable/known.

2016 Computer Project Upgrade: Purchase of computer equipment for the recording of objects, archives & photos for the RBHS collections located at SCLM. Funding: SCF \$1,000; KMTA \$1,190; RBHS \$923.25

**Any outstanding follow ups for previous grant awards from ACF and its Affiliates must be submitted using the online grant system prior to the deadline for the current application to be considered.**

Please contact ACF's Affiliate Program staff at grants@alaskacf.org or 907-334-6700 before continuing your application if you have not or are unsure if you have completed a grant report for a previous grant award.

## ***Project/Program Information***

---

### **Project/Program Name\***

Seward Community Library Museum Exhibit Upgrade Spring 2019

### **Project/Program Start Date\***

When will your proposed project/program begin?

03/01/2019

### **Project/Program End Date\***

When will your proposed project/program end? **Please note that awarded grant projects must be completed within one year of receiving a grant.**

06/30/2019

### **Project/Program Description\***

Please describe your proposed project/program, including a discussion of the community need and if you are planning to collaborate/partner with other community organizations or entities.

The Seward Community Library Museum Exhibit Upgrade Spring 2019 will transform a section of the Seward Museum into a more vital component of the Museum's overall focus on the history and personal stories of the Resurrection Bay region, and includes three components: Treasures from the Collection, Seward as a Mercantile Hub, and the Mary Evanoff Gutskin Parka.

"Treasures from the Collection," an inspired re-imagining of the historic Orlander cases, largely unused since their move into the new building, will open for visitors a "window" into the marvelous variety of collections housed at the Museum. Objects that have not been on view for an extended period of time, or would be difficult to place within a broader exhibit context, will be included, for example: four vials of ash from the Katmai eruption in 1917, plus a selection of photos that include images of refugees fleeing the eruption from Kodiak Island; and of the S.S. Dora covered in ash during one of its excursions, after having sailed within viewing distance of Katmai during the eruption. Some of the other items chosen are pre-contact hunting tools such as a toggling harpoon head, an ice scratcher, and a jade adze blade with a bone handle; the

brass Seward School bell used from 1914 to 1928; a whale-bone mask with painted hair, eyes, moustache, and tattoos; and Seward waterfront passes from the early 1900's.

"Seward as a Mercantile Hub" will provide context for the Native baskets originally exhibited as objects of beauty without mention of their relationship to the overall history of Seward as a mercantile and trading hub in the early 20th Century. Though we will include in the case some of the baskets that have already been on view, we are adding items that would have been featured in the shops and homes of early Seward, for example: a wonderful selection of ivory carvings that include a three-piece flatware set, a folding toothpick in the shape of a fish, a model knife on an eight-link chain, a gavel in the form of a seal, and a necklace of 109 ivory beads graduated in size. There will be photographs on the wall behind this case that will contribute to the narrative.

The presentation of the "Mary Evanoff Gutskin Parka" exhibit will be greatly enhanced by the addition of a large photo mural that combines two images of Sixmile Lake and the town of Old Nondalton Village. There will also be a smaller mural of Chief Evanoff and his wife Mary who fabricated the parka in the early 1900's. The intention is to provide some historical context for this amazing item – to tell the story of the place and the people behind it.

### Project/Program Goals\*

Please describe the goals of your proposed project/program, including what outcomes you hope to achieve.

The goals of the project include the following:

- Revitalize the content and the visuals within the Museum in time for the daily openings of the 2019 season, making it a more exciting and beautiful place to visit
- Exhibit objects that have been in storage since the move to the new building in 2014.
- Create stories to accompany exhibited objects that give these items a context within the overall history of the region, and illuminate the lives of the inhabitants that created and/or owned them
- Shed light on the disparity between items created by the indigenous population of the region for commercial trade purposes, and those created for their own daily use
- Educate visitors about the history of Seward and its outlying areas
- Give residents of the region an increased awareness about the place in which they live, and the role it played in the overall history of the State of Alaska

### Project/Program Benefits\*

Please describe the benefits of your proposed project/program. What will improve on in the Seward/Moose Pass area as a result of this project/program? Who and how many individuals will benefit from this program/project?

The Seward Community Library Museum is a unique organization that houses both a library and museum within its walls. It serves the Seward community, and outlying areas such as Moose Pass, Crown Point and other towns of the Eastern Kenai Peninsula. Visitors from the above areas who visit the library often visit the museum as well. In addition, there are activities and events that enhance the library / museum experience such as presentations by the Resurrection Bay Historical Society, readings and book signings by local and other Alaskan writers, exhibit-related interactive arts and crafts activities, and historical film showings. Beyond the benefits of being creative and having the opportunity to connect with others from the community, is the chance for visitors to see and hear the visuals and the recordings that tell the stories of the region in which they live. Quite often, people come to the museum to share their own stories, and to offer to share with the Museum archives, items that are a part of their own families' legacies.

## Measuring Success\*

Please describe the outcomes that will define if your project/program is successful, including how your organization plans to track and report on these outcomes. Please also describe how your proposed project/program will continue beyond the original grant term, if applicable.

SCLM tracks all visitors to both the library and the museum, keeping not only print and digital records of the daily, monthly and yearly number of attendees, but also school group visits, researchers, research requests, image requests, volunteers and donations. RBHS, as well, authorizes and keeps track of research and image requests as well as inquiries about gifting objects of historical interest to the collection. Interest is measured also by attendance at the numerous activities that are created to engage the public: historical presentations, films, book signings and crafts representing Seward and its surrounding areas.

This project is part of a larger effort to reinvigorate the Museum - to showcase items from the RBHS collections - not only by enhancing or adding to its separate visual components, but by telling stories that demonstrate the context of each exhibit component within the larger story of Seward and its outlying areas. This is a long-term vision that is meant to last far beyond the original grant term.

## Project/Program Budget

---

### Total Project/Program Budget\*

\$2,890.00

### Amount Requested\*

Please note that individual grant amounts will be awarded up to \$1,000.

\$1,000.00

### Project/Program Budget Form\*

Please download, complete, and upload the Project/Program Budget Form below. At the bottom of the form, please also list other sources of funding you are seeking and the status of those requests.

#### Project/Program Budget Form

In the box below, please describe the line items from the budget worksheet in detail.

SCF-Project-Budget-Form.xls

The total budget amount for the Seward Community Library Museum Exhibit Upgrade Spring 2019 is \$2890.

The portion of this that is being requested from the SCF is \$1000. The other \$1890 is being donated by RBHS. This amount includes lighting supplies (LED tape kits and diffuse channels); 2 wall murals, posters and

mounted photos (including design and installation); painting supplies; labels; graphic design; shelving materials; and display stands. The \$1000. Requested from SCF would go towards paying for the printing of six photos and the printing and install of 2 murals. The photos would be mounted on 1/8" black PVC. One mural would be applied directly to our acrylic gut skin parka case; the other directly to the wall between the two Orlander cases. The total cost for the above printing and install, which would be done by GraphicWorks of Anchorage, is \$1150, of which RBHS would be contributing \$150.

The mural on the "Mary Evanoff Gutskin Parka" case will be a collage of two images: a photo of Lake Clark with a photo of Chief Zackar and Mary Evanoff superimposed on it. The Evanoffs lived at what is known today as 'Historic Kijik', located near the head of Qizhjah Vena 'a place where people gathered lake', known today as Lake Clark. The photographs on the wall behind the "Seward as a Mercantile Hub" case will contribute to the narrative of that exhibit, and the mural between the two Orlander cases of the "Treasures from the Collection" exhibit will depict excerpts from an early Seward diary superimposed over a collage of photos of objects taken in our archives.

The donation of \$1890 from RBHS will pay for the following items: lighting supplies (LED tape placed in channels with diffusers); painting supplies (the entire wall behind all three exhibits will be repainted a more pleasing color); labels (designed, printed and mounted); the Orlander cases mural design (by graphic designer Carly Egli; glass shelves for the Orlander cases; shelving tracks and brackets for the Orlander cases; display materials (including mounts and archival-sensitive coverings); and miscellaneous supplies.

## ***Optional Documentation***

---

### **Other Useful Information (optional)**

Please provide any other useful information that could help the SCF Grants Committee evaluate your grant application. If desired, you can also upload letters of support and other documentation below.

#### **Project Team:**

The team for the Seward Community Library Museum Exhibit Upgrade Spring 2019 includes Seward Museum Curator Leslie Fried, Project Manager, and RBHS members Linda Lasota, Colleen Kelly, Mark Luttrell, Dennis McLain, Willard Dunham and Keith Campbell who demonstrate on a daily basis their passion for history, knowledge of the workings of the Archives, as well as a myriad of various skills crucial to the implementation of an exhibit design into a three-dimensional reality: i.e. scanning and printing, carpentry, painting, lighting, knowledge of archival materials, mount-making and label creation.

Before coming to work in Seward, Ms. Fried was the curator at the Alaska Jewish Museum (AJM) in Anchorage from December, 2011 to September, 2018. She is uniquely qualified to head up this project. Besides receiving a Graduate Certificate in Museum Studies from the University of Washington, she holds a Master of Library and Information Science from the same institution. She also holds a B.A. in Fine and Applied Arts from the University of Oregon. Past work venues include Seattle's Wing Luke Asian Museum, Seattle Art Museum Library, University of Washington Special Collections, Seattle Jewish Film Festival, Henry Art Gallery, Seattle Asian Art Museum and Cooper-Hewitt, National Design Museum Library.

At the Alaska Jewish Museum, Ms. Fried was responsible for the overseeing of all museum operations: maintaining the archives and library; researching and acquiring historic materials and artifacts; creating designs for exhibits; writing exhibit narratives and labels, interviewing individuals for an expanding oral history collection; programming events that educate and involve the community; and researching and writing grants. She also managed the budgets for each project, attended all board meetings, hired skilled artisans and

contractors as needed, conducted museum tours, and collaborated with other community organizations. Though the focus at AJM was on the history, art and culture of the Jews of Alaska, the underlying imperative was to find the behind-the-scenes stories that demonstrate the incredible diversity of the state. Each exhibit required an extensive search for relevant historic information: in print materials, photographs, audio recordings, film as well as artifacts. A great deal of care is taken to organize, document and keep track of incoming items.

Each of the exhibits Ms. Fried researched and designed broadened her knowledge of Alaska history. Attendance each year at Museums Alaska conferences, and membership in the Alaska Historical Society and the Cook Inlet Historical Society also allowed her to make the acquaintance of the many historians that live in Alaska. She has had multiple opportunities to confer with them about mutual areas of study. She has also made ample use of the various Alaska libraries and archives available for research into such subjects as the history of Anchorage, early Jewish settlers, the Alaska Railroad, the intersection of Russian and Native cultures, Alaska Airlines, the Alaska Development Plan, the Alaska Commercial Company, the fur trade, and the Treaty of Cession. In 2017, Ms. Fried received the Alaska Historical Society's Elva R. Scott Local Historical Society Award.

### Mission Statement\*

What is your organization's mission statement?

Marathon Wrestling Club is a chapter of the national organization, USA Wrestling, the mission statement is - USA Wrestling, guided by the Olympic Spirit, provides quality opportunities for it's members to achieve their full human and athletic potential.

### Description of Organization (optional)

Please provide any additional information about your organization that you wish to share.

Marathon Wrestling Club has grown from a small wrestling club with one coach, to now having 5 volunteer coaches as well as myself as manager. We are a sanctioned USA wrestling club operating in the Seward and Moose Pass area. Our first practice for the season was on Jan 7th, and our season runs from January until the first week in May, with tournaments in March and April and the final state tournament the first weekend in May.

### Previous Grant Award Details (if applicable/known)

Please list the project title and date of your most recent grant award, if applicable/known.

2019 Van & Hotel Rental for Team Tournament Travel - Awarded April 2018

**Any outstanding follow ups for previous grant awards from ACF and its Affiliates must be submitted using the online grant system prior to the deadline for the current application to be considered.**

Please contact ACF's Affiliate Program staff at [grants@alaskacf.org](mailto:grants@alaskacf.org) or 907-334-6700 before continuing your application if you have not or are unsure if you have completed a grant report for a previous grant award.

## ***Project/Program Information***

---

### **Project/Program Name\***

Purchase a Certified Weigh In Scale

### **Project/Program Start Date\***

When will your proposed project/program begin?

03/01/2019

### **Project/Program End Date\***

When will your proposed project/program end? **Please note that awarded grant projects must be completed within one year of receiving a grant.**

05/05/2019

### **Project/Program Description\***

Please describe your proposed project/program, including a discussion of the community need and if you are planning to collaborate/partner with other community organizations or entities.

Marathon Wrestling Clubs 2019 season began in January, our first tournament (which happens to be our home tournament) is March 2nd and 3rd, 2019. In years past the Seward High school has allowed us to utilize their certified scales to do "satellite weigh in's" We weigh each wrestler on the certified scale and then we send those weights in an email to Alaska USA wrestling as well as upload them into Trackwrestling.com. Alaska USA wrestling then uses those weights to build the brackets, determining which wrestlers will meet in the tournament. Due to a conflict in scheduling with a sanctioned school program, we are not able to utilize the certified scales any longer, without these scales we will be unable to register our athletes for wrestling tournaments.

### **Project/Program Goals\***

Please describe the goals of your proposed project/program, including what outcomes you hope to achieve.

Purchase a set of certified digital scales so that we may continue to hold satellite weigh ins and continue to register wrestlers for tournaments.

### **Project/Program Benefits\***

Please describe the benefits of your proposed project/program. What will improve on in the Seward/Moose Pass area as a result of this project/program? Who and how many individuals will benefit from this program/project?

Without these scales our program is at a standstill, our whole wrestling team will benefit, we currently have 38 wrestlers

## Measuring Success\*

Please describe the outcomes that will define if your project/program is successful, including how your organization plans to track and report on these outcomes. Please also describe how your proposed project/program will continue beyond the original grant term, if applicable.

38 wrestlers will continue to excel in wrestling, these scales will be used for many years to come

## Project/Program Budget

---

### Total Project/Program Budget\*

\$689.00

### Amount Requested\*

Please note that individual grant amounts will be awarded up to \$1,000.

\$439.00

### Project/Program Budget Form\*

Please download, complete, and upload the Project/Program Budget Form below. At the bottom of the form, please also list other sources of funding you are seeking and the status of those requests.

#### Project/Program Budget Form

In the box below, please describe the line items from the budget worksheet in detail.

SCF-Project-Budget-FormScale.xls

Line item 1 is the scale itself, line item 2 is to purchase a more heavy duty case that we can store the scale in as we will be having to transport it to and from our practice location weekly. Line item 3 is shipping to Alaska, the company does not honor the free shipping promotion to Alaska or Hawaii. Line item 4 is to have the scale certified by the State of Alaska, wrestling scales have to be certified by the State of Alaska prior to the club using them to weigh wrestlers in.

**Comment:** *This grant applicant is only requesting funds for the scales. They have secured funding for shipping and other costs.*

## Optional Documentation

---

### Other Useful Information (optional)

Please provide any other useful information that could help the SCF Grants Committee evaluate your grant application. If desired, you can also upload letters of support and other documentation below.

Below is a link to the scale we would like to purchase

# Application Form

---

## *Instructions*

---

The Seward Community Foundation (SCF), an Affiliate of The Alaska Community Foundation (ACF), seeks applications from qualified, tax exempt 501(c)(3) organizations (or equivalents, such as Tribal entities, schools, and faith-based organizations) that support charitable organizations and programs in the **Seward/Moose Pass** area. Mini-grants of up to \$1,000 are intended to be a flexible funding opportunity that may support a broad range of community needs throughout the year, including but not limited to health and wellness, education, the great outdoors, arts and culture, and community development.

Grant projects must be completed within one year of award and are subject to the grantee completing an online grant agreement signifying acceptance of the terms and conditions of the grant. A final grant report and any other outstanding follow ups must also be submitted online before the grantee will be eligible for future grant opportunities from SCF. Due dates and the forms to submit for these follow ups can be found by logging into the online grant system.

**Grant applications must be submitted online.** The Seward Community Foundation's Advisory Board reviews mini-grant applications at their monthly meeting and the **deadline to submit an application for consideration is the first Wednesday of each month.** Any overdue grant reports or other follow ups for previous grant awards from ACF and its Affiliates must also be submitted using the online grant system prior to the deadline for the current application to be considered.

**Please review SCF's Mini-Grant Guidelines to determine your eligibility before applying.**

Please direct **general questions** to SCF's Program Manager, Allison Fong, at [afong@alaskacf.org](mailto:afong@alaskacf.org). Please direct **eligibility and technical questions** about the online grant system to ACF's Affiliate Program staff at [grants@alaskacf.org](mailto:grants@alaskacf.org) or 907-334-6700.

## *Organization Information*

---

### **Name of Organization\***

Kenai Mountains Public Media, Inc.

### **Organization's EIN\***

47-1173027

### **Organization Type\***

Only qualified, tax-exempt 501(c)(3) organizations (or equivalents, such as Tribal entities, schools, and faith-based organizations) that support charitable organizations and programs in the **Seward/Moose Pass** area are eligible to apply. Please review SCF's Mini-Grant Guidelines to determine your eligibility **before applying.** If you are unsure of your organization's eligibility, please contact ACF's Affiliate Program staff at [grants@alaskacf.org](mailto:grants@alaskacf.org) or call 907-334-

6700.

501(c)(3)

### **Organization's Location\***

Is your organization located in the Seward/Moose Pass area? If not, will your project/program benefit this area?

Yes

### **Benefits to Area (optional)**

If your organization is not located in the area but you believe your proposed project/program will benefit area residents, please explain how.

### **Mission Statement\***

What is your organization's mission statement?

Kenai Mountains Public Media, Inc. (KMPM), is listener supported and seeks to encourage a communications center of open airways to stimulate, educate, inform, entertain and inspire the listening community through quality programming on KIBH 91.7, inspired by and reflecting the diversity of local and world communities.

It is the goal of KMPM going forward to provide opportunities for increased participation in locally produced programming through listener feedback. KMPM seeks to work closely with civil authorities and public safety personnel to provide timely emergency information to the communities we serve in the event of an actual catastrophe.

### **Description of Organization (optional)**

Please provide any additional information about your organization that you wish to share.

KIBH-FM, Seward is the only local radio station broadcasting from the Eastern Kenai Peninsula and serves Seward, Bear Creek and Lowell Point by means of 91.7 and 106.1, Primrose and Crown Point by 97.1 and Moose Pass and Tern Lake by 96.1 with 99.9 in Hope coming online soon. These facilities have consistently served Seward, Bear Creek and Lowell Point with music, public interest programming, news, weather, sports and Emergency Alert System activations through KIBH-FM since 2014 and are reaching the entire Eastern Kenai Peninsula through an expanding rural translator network beginning in 2016.

### **Previous Grant Award Details (if applicable/known)**

Please list the project title and date of your most recent grant award, if applicable/known.

Kenai Lake Translator, August 2016

**Any outstanding follow ups for previous grant awards from ACF and its Affiliates must be submitted using the online grant system prior to the deadline for the current application to be considered.**

Please contact ACF's Affiliate Program staff at grants@alaskacf.org or 907-334-6700 before continuing your application if you have not or are unsure if you have completed a grant report for a previous grant award.

## **Project/Program Information**

---

### **Project/Program Name\***

KMPM Legal Counsel

### **Project/Program Start Date\***

When will your proposed project/program begin?

03/01/2019

### **Project/Program End Date\***

When will your proposed project/program end? **Please note that awarded grant projects must be completed within one year of receiving a grant.**

08/01/2019

### **Project/Program Description\***

Please describe your proposed project/program, including a discussion of the community need and if you are planning to collaborate/partner with other community organizations or entities.

KMPM is actively organizing our corporation and with a new board of directors is adopting by-laws and is implementing a conforming business plan. We are establishing some essential underpinnings of ongoing operations such as a budget, insurance and policies and procedures under the direction of advisors and through the study of similar organizations.

To proceed with the pending acquisition of KIBH-FM, we must secure legal counsel to advise the KMPM board in FCC and other federal related regulatory requirements. This is a critical prerequisite for the preservation of the license and the transfer of it to KMPM.

### **Project/Program Goals\***

Please describe the goals of your proposed project/program, including what outcomes you hope to achieve.

Retain the law counsel of GSB Law in Seattle, Washington, a firm recognized for their FCC expertise who counts several Alaska public radio station among their clientele including KSKA-Anchorage, KFSK-Ketchikan and KUCB-Unalaska . Our goal is to negotiate the transfer of KIBH-FM, Seward to KMPM from KEMI with GSB

Law as legal representation. KEMI has outstanding regulatory issues and was unable to obtain an IRS determination letter within the allowed period and therefore does not qualify for full 501(c)(3) status.

KMPM has successfully obtained a 501(c)(3) determination and is otherwise a qualified assignee for the license, an application for which is pending but requires legal representation to complete.

### **Project/Program Benefits\***

Please describe the benefits of your proposed project/program. What will improve on in the Seward/Moose Pass area as a result of this project/program? Who and how many individuals will benefit from this program/project?

The benefits of these two organizational priorities is to solidify KMPM and realize the potential of KIBH building its capacity to serve a wider audience with a greater variety of programming. Specifically this would allow the KMPM board to recruit, expand and operate while continuing to build an organization poised to achieve our programming goals and directives with clear FCC compliance.

The greater benefit to the community is for KMPM to become a self sustaining, listener supported radio station that continues to serve communities in our listening area from Seward to Cooper Landing to Hope. Additionally and perhaps most important, is to continue to broadcast emergency broadcast services and timely updates on air in the case of an actual emergency.

### **Measuring Success\***

Please describe the outcomes that will define if your project/program is successful, including how your organization plans to track and report on these outcomes. Please also describe how your proposed project/program will continue beyond the original grant term, if applicable.

This funding if approved will be applied to a fundamental need of the organization in its progress toward building the organization and securing an essential community resource. The board is moving forward with board expansion, fundraising efforts, coordination of a community advisory board and networking with other non-profits to provide critical public safety services while enhancing the experience of living in our community through a diversity of capacity. With momentum and community support KMPM can be a sustaining community resource.

## **Project/Program Budget**
